

OPEN GOVERNMENT PARTNERSHIP NEW ZEALAND

Commitment 5 - monthly report

Date: March 2017

Lead agency: State Services Commission

WHAT HAVE WE BEEN DOING?

- Looking at analysis of different digital engagement models, including viewing a demonstration of participative budgets (with Commitment 1)
- Developing a proposed reporting template that Commitment leads can use for monthly public reporting on progress
- Developing engagement and communications approaches to lead up to the September mid-term assessment
- Redesigning the '[What's happening](#)' section of the New Zealand's OGP website to increase its appeal and currency
- Building a picture of potential areas for focus in the next plan, based on previous co-production phase and recent research.

WHAT'S NEXT?

- Sample report to be discussed with the Expert Advisory Panel
- Terms of reference for evaluation of the [Government Online Engagement Service](#)
- Continue broadening key stakeholder relationships and investigating potential platforms and processes for co-production phase for the next National Action Plan.
