

# Open Government Partnership New Zealand

## National Action Plan 2018-2020

Progress report for: 30 June 2020

### Commitment 2: Youth Parliament

**Lead agency:** Ministry of Youth Development

**Objective:** To improve understanding among young people of how Parliament works and to highlight topics that matter to young people the Ministry of Youth Development (MYD) will work with the Office of the Speaker of the New Zealand House of Representatives to deliver an enhanced Youth Parliament 2019.

**Ambition:** Through delivering the six-month Youth Parliament 2019 programme, MYD aims to fulfil the five Youth Parliament objectives:

- replicate the Parliamentary process
- involve as many young people as possible (before and after the event)
- maximise the educational opportunities of the event
- enhance Parliamentary public relations
- make known the views expressed to appropriate policy agencies.

To allow young people the opportunity to shape what is discussed at the two-day event the young people selected to be Youth MPs will submit potential topics for Youth Parliament select committee hearings, and potential topics for a mock bill.

**OGP values:** Public Participation, Technology and Innovation
